

'FROM CRISIS TO COMPASSION'

BOOK SUMMARY

“Can we really find empathy, intimate connection and involvement with supportive community?”

Author, speaker and coach Sally Betters reveals a proven plan for navigating through childhood trauma and poor adult choices by trusting God in a personal daily relationship with all our needs, wants and dreams. In this compelling narrative you will discover:

- o Who your real enemy is.
- o How to prepare for battle.
- o Where the resources are to overcome your brokenness.
- o What to do if you want intimate connection with others.

Discover what arises in the turbulent life of Naomi Parker that takes her from a place of fear and shame to compassion for those in similar circumstances. After finding her purpose, Naomi is able to intimately connect with those who struggle with parallel life altering issues.

This compelling narrative depicts author Sally Betters' heartfelt desire to reach those struggling with their own secrets. She reveals the depth of freedom, peace and healing they can experience through the love of God.

Sally wants her readers to know you are not alone in this cycle of secrecy. Releasing the cloak of shame through sharing your story with a trusted friend, counselor or family member can open the door to greater intimacy.

Sally Betters is committed to donate a portion of the proceeds of From Crisis to Compassion directly to organizations challenging human trafficking.

To bestow on them a crown of beauty instead of ashes, the oil of joy instead of mourning, and a garment of praise instead of a spirit of despair. They will be called oaks of righteousness, a planting of the Lord for the display of his splendor.
